#### Our Thinking

#### [Hg's Data Analytics Mind Map](#)

AI, Machine Learning, Python, Data Lakes ... there's a swamp of technical terms in the world of data. To help, the Hg Data Analytics team has developed an interactive 'Data Mind Map' to avoid getting bogged down in the terminology. [Take a look](#)

#### [The unsurprising rise of private capital](#)

**CHART OF THE MONTH:** Hg's Director of Research, David Toms, shows that companies used to IPO when they were worth \$1-200 million. Now, the median company stays private until it's worth close to \$1 billion, driving an inexorable increase in the opportunity set for private equity. [See the chart](#)

#### [Hg's view on Legal Tech](#)

"Around \$500bn is spent on legal services in the US alone...the total IT spend by law firms is only around \$4bn, but, as firms continue to feel client pressure to improve delivery, we'll see more
